Daily Devotional Guides for Committed Christians

*Use the Internet for your free daily devotions*

## [www.prayerandbiblestudy.org](http://www.prayerandbiblestudy.org)

A website with all you need to organise your daily devotions. New material is available every day for you to use as you choose, as outlined below. The main Bible study takes 10 to 12 minutes to read, and the 'brief devotions' page, much less. Everything is written in an easy, accessible style.

**Prayers**

**Bible Reading & Study**

**Meditations**

**Lifestyle Challenges**

**Suggestions for Intercession**

**Questions for study groups**

**'Brief Devotions' page** *(for quick use)*

The site was designed with committed Christians in mind: those who want to grow in faith using the three essential traditions of discipleship; prayer, Bible study and the challenges of Christian lifestyle. Pages on the site explain how to use the material in a way that suits you, and there is also an explanation of the site's distinctive feature, 'Lifestyle Challenges' that arise from the spiritual life of prayer and Bible study.

Other pages on the site contain an introduction to the author, the vision that lies behind the site, and information for enquirers about Christian faith. Most material can be downloaded free, and there is guidance on how to use the Bible studies and prayers for small groups.

*The author is Revd Paul H Ashby; a Methodist Minister who has worked as an engineer, missionary, church minister, and as Old Testament and Pastoral Studies Tutor at Cliff College; before being retired due to back problems in 2003. This work is now his ministry.*

**It is hoped that this material will be available as a book in the course of this year - see site for details**
